

Yukon School Supply Drive Sponsorship

It's time for our 9th Annual School Supply Drive! Thank you for supporting this endeavor last year: this one event collected backpacks full of supplies for **2,600 students** so they could begin school successfully!

This year, our goal is to fill 2,500 backpacks: that's 2,500 children who **need your help!** We are driven to meet the needs of those in our local mission field as we equip them for the journey. The beginning of the school year can be a hard time for parents (especially families with multiple children). Let's take this opportunity to stand alongside any who are struggling, showing them what the love of Jesus feels like!

The School Supply Drive is on August 3 at Yukon High School, 9am-12pm. Local church fellowships provide the backpacks & supplies as well as a celebration with free food, live music, games, inflatables, petting zoo, & prayer. **Join us! There are many ways you can help:**

Collection Box

Allow us to place a collection bin in a well trafficked location in your business. We were so touched by the ways our community supported those in need by purchasing supplies last year. You make that simple!

Financial Sponsorship

Whether you are able to give \$100 or \$1,000, your TAX DEDUCTIBLE contribution will touch more than 5,000 people in our community. We anticipate \$30,000 will meet the financial needs for this community gathering. A donation of \$500+ places your name & \$1,500+ puts your logo on shirts & marketing material.
